

Garden State Good Food Network SNAP and Incentive Cheat Sheet for FARM STANDS

Customers using their Families First (SNAP/EBT) card get a **50% Discount** on their purchase. Half of the purchase is paid for with SNAP dollars, and the other half of their purchase is covered by Good Food Buck incentive dollars. ***SPECIAL NOTE: If using a daily incentive cap (such as \$10 or \$20 per customer per day), note that for purchases over TWICE the incentive cap amount, you will swipe EBT cards for the total purchase amount MINUS the incentive cap amount. The rows in red text show how this would work for a \$10 daily cap.***
